

# YOUR VISUAL PROOF (1 of 2)

Artwork must be at least 1.5pt thick  
Gaps cut out from artwork must be at least 2pt thick

Must have all strokes outlined  
and then merged using  
the Pathfinder>Merge action.  
Then make sure the artwork is  
grouped.

Artwork for screen prints needs to be  
vectored and set in Pantones from the  
Solid Coated or Solid Uncoated books  
\* White needs to be set in PANTONE WHITE and  
\* Black needs to be set in PANTONE BLACK or 100k

Maximum colours we can print on a  
White or Natural bag is 10

Maximum colours we can print on a  
coloured bag is **3 plus the BASE layer**  
- we can sometimes do more but it is artwork  
dependant and needs checking with Production

For all colour cotton bags (not natural or white)  
there needs to be a 'BASE' layer as  
one of the Pantones unless it is just a black print.  
A layer of white is printed  
underneath the artwork to ensure the colour  
of the bag doesn't affect the print.

## PANTONE® Colours

## Artwork Advisories

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work. Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

Please email all approvals/amends to your order processor.
