Artwork Advisories

This template is not to scale and is
to be used as a guide for print size
& positioning only.

Please note the actual embroidery may
differ slightly once digitised.

Pantone/thread colours are matched
from universal swatch books.
However, production processes may at
times have a slight effect on how colours
appear on garments.

Embroidered artwork will flatten the
ribbed material slightly.

It is the customer's responsibility to ensure
that the proof is correct in all areas. Please be
sure to double-check spelling, grammar,
layout and design before approving artwork.
**Due to the variation in monitor colours and
adjustments, PDF proofs may not provide
an accurate colour representation of the
final product & printed work.** Once artwork
is approved, your order will be processed
based on the above unless any amendments
are made. All orders are subject to our terms
and conditions.

**Please email all approvals/amends to your
order processor.**
