

if you would like the Safety Release catch, please ensure you include this on your purchase order.
 If this is **NOT** included on your PO it will **NOT** be supplied, regardless of it showing on this artwork.

Safety Release Clip

KEEP IT SAFE!

This visual is intended to illustrate the size, colour and repeat of the print. Each lanyard is cut and assembled by hand and therefore the position of the logos in relation to the attachment should be taken as a guide only. 'Pantone matched' lanyards are dyed to a close match to PMS coated references. We cannot guarantee an exact match due to the nature of the materials used in manufacture. The results will be within 'commercial tolerances' and all orders are accepted on this basis.
