Full colour printed colours may differ when printed to the final product.

Full colour printing can only be applied solid coloured products.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. **Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work.** Once artwork is approved, your order will be processed based on the above unless any amendments are made.
