

**\*CHECK\***

If the colours differ from this PDF to the printed mug, **CHECK** that this is correct!!!! Ensure you check that the colours and info are correct!

Capacity 330ml | Height 93mm | Diameter 80mm | Transfer print area 220 x 80mm | Direct Print area 185 x 70mm | Weight 295g | Boxed in 36  
The dimensions may change within manufacturing tolerance

Visual not to scale

To ensure that the artwork is correct, please remember to check all aspects of the design including layout, position & spellings. We require Pantone references and these will be matched to the closest in house ceramic colours we have available. Due to monitor and print setups the colours may appear slightly differently so we cannot guarantee an exact match to the electronic visual.

**If your order is on our Fast Track or Priority service please note the colours are matched to the nearest inhouse pantone colour and are taken at clients own risk.**
